The Purest Bath Crystals for the Purest Cleansing

Himalayan bath salts are famous worldwide for their purity and beauty, and in the Himalayas they often go by the name of "white gold". Having formed in the Himalayan mountains over what is believed to be the last 250 million years, the crystals are incredibly pure and virtually untouched by pollutants and toxins. For thousands of years the salt has been used in baths, body scrubs, drinks, and foods and has been praised for its medicinal properties and unique taste. **Sherpa Pink Himalayan Rock Salt 1 Lb.
